Book Bus

The Book Bus arrived this morning and is parked on the playground. Classes have had the opportunity throughout the day to get on board, hear a story, browse the shelves and purchase a book if they wish. Parents have been invited to visit before and after school. The Mulberry Bush Nursery have also come across and hopped on board for a story too! It was lovely to see the children so excited about books and reading. 15% of all sales goes towards books for the school library.

Legacy Assembly by Eleanor and Abigail

On Thursday morning, St Augustine's received a special assembly that included a visit from Carl Blackman, a Paralympian from the Inspire+ charity and some pupils from St Gilbert's. Our Sports Ambassadors, Richard, Abigail, Freya and Joshua gave us a talk about the Legacy Challenge. This is a talk given to all schools that are part of Inspire+, to inspire us to lead healthy and active lifestyles. The visitors from St Gilbert's brought a tennis racket with lots of tags that had the pledges from different schools attached. We all watched a video of Sophie and Sam playing softball. Now our school and many others are giving it a go. Next term, our school will take part in the mini-Olympics with lots of other schools. Each school will represent a different country; there was a live draw in the assembly and our school were given South Africa!

Lion's trip to Nene Valley

This week, Lions class visited Nene Valley Railway to complement their topic, 'Marvellous Machines.'

Dates for your diary

26 th March at 9am	Year 6 class mass
