7<sup>th</sup> February 2020

*Dear Parents,*

## School Council Assembly

This week, the school council led an assembly all about healthy snacks in school. They had carried out a survey in school last term and found out that half of the school has a healthy snack such as fruit or yoghurt and the rest of the children bring a less healthy snack of chocolate bars or crisps. They decided to plan an assembly all about the effects of salty and sugary snacks compared to recommended healthier choices.

They made a powerpoint, planned a short sketch, a healthy snack quiz and then asked the audience to guess the amount of sugar in different drinks. We all learned a lot about the snacks and drinks we choose. A very informative assembly; well done School Council!

## **Attendance This Week**

This week, the highest attendance was in Eagles class with a fantastic **100%** This is a fabulous result! Well done to Mr Atter's class! We need every child in school every day so we can teach them. Please only keep your child at home if they are genuinely too ill for school. Thank you for your cooperation.

### Football Match Report by Jake and Oscar

On Thursday 6<sup>th</sup> February St Augustine's football team played against the Bythams. It was a close game and both teams had good chances to score. In the end we lost 2-0. Our man of the match was Rocco for his brilliant reading of the game. Also, well done to Jake who played his first match for the school.
