## Newsletter 19<sup>th</sup> June 2020

Dear Parents,

The fantastic sound of happy children's voices in classrooms has been ringing through the school this week with 40% of our children now back in school. More will join in the next few weeks and all will be learning and playing within the safety of their 'Bubble' groups.

Staff are working hard to support children to learn in school and at home as well as making phone calls to families this week. The children in school have designed postcards to send to each pupil still at home with

a message of reassurance. If your child is still at home, please consider booking them into school if they are year 2,3,4 or 5 by the Wednesday 24<sup>th</sup> June deadline so we can help them get back on track with their school work.

### A Thank you

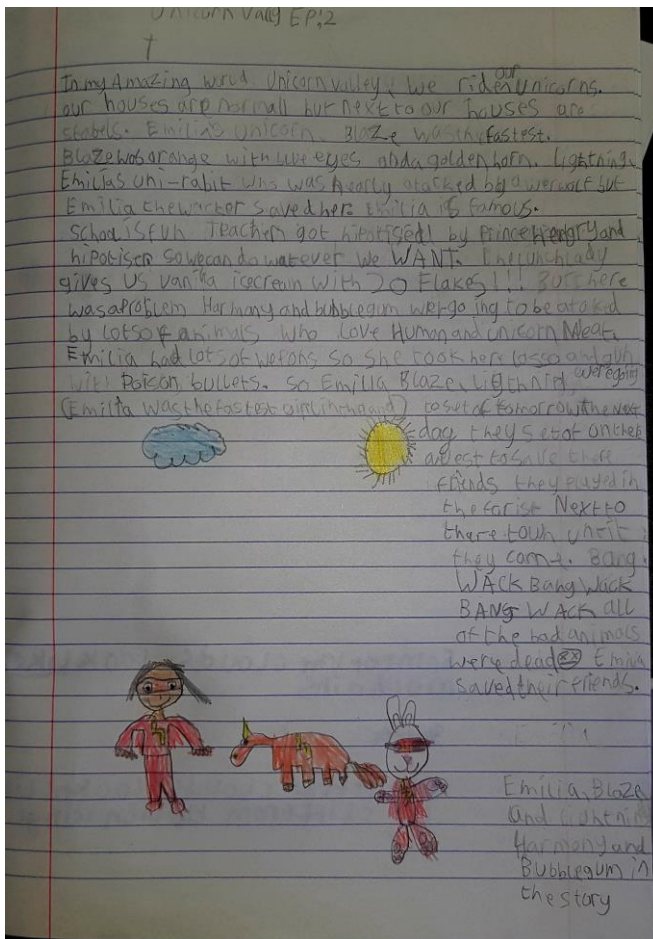

Last week, Mrs Milojević delivered a parcel of edible goodies for school staff. All had been donated by our families and all the staff are so touched and very grateful that you thought of us. Thank you very much from us all!

## Scooters

There are 4 scooters that have been left on the school premises since March. If you think one of them might belong to you, please ring the school office about collecting it.

## Home Learning

Emilia has completed lots of lovely home learning here. Well done Emilia for keeping it going !
