

Maths

We will begin Pentecost term with measurement and will investigate and compare height and length. Then, we will move on to a geometry unit about position and direction. We will also be learning how to tell the time.

English

This term, we are going to be writing a traditional story with a twist! Our model text is Little Red Reading Hood by Lucy Rowland. We will then move on to a poetry unit and will be writing a humorous poem.

Music

Our song this term is called The Friendship Song. This is a cheerful and upbeat song which teaches us to help each other and always be kind.

Topic

Our topic this term is Beat Band Boogie! We will be learning about the different instruments in a band and will use percussion instruments and movement to investigate a variety of rhythmic patterns.

Camels Year 2

Pentecost 1

BEAT BAND BOOGIE!

PE

This term, we will be completing our work on ball skills before moving on to target games. We will develop our skill and accuracy through throwing, kicking and rolling objects towards targets.

Help at Home

Please continue to read as much as you can with your child and talk with them about their ideas and thoughts. You could also investigate different styles of music and practice finding the beat. If you can bear the noise, you could set up a drum kit using saucepans and wooden spoons!

Please also continue to practise times tables!

Religious Education

We will begin this term learning about 'spreading the good news'. Children will discuss ways in which we can spread the good news about God. We will live out this faith by spreading good news this term.

Science

Our science work this term is all about sound! We will investigate vibration and volume, create a water bottle orchestra, and discover whether people with big ears have better hearing!
