

# Lent Term 2 Curriculum Overview

## English

The children will begin this term by writing their own narratives from video stories. We will then create pieces of non-fiction writing linked to our topic.

They will be using Book Talk to explore a range of texts and our reading rainbow will focus discussion across a range of themes and thoughts.

## Topic

This term our topic is '**Gallery Rebels**' The children will be learning all about art from different periods. We will also:

- Know the different types of art from different periods.
- Know major art galleries around the world.
- Learn different painting techniques.
- Understand the colour wheel.
- Create a portfolio of work from the topic using as many different techniques and styles as possible.

## Year 6 - Eagles

## Science

In science this term we will be focussing our learning on the colour spectrum.

The children will practise separating colours by carrying out chromatography investigations.

The children will also investigate some colour marbling.

## RE

During this term the children will spend time reflecting on three key questions:

- Are books enriching?
- Why are we happiest when we are united?
- Can any good come from loss and death?

The children will be asked to describe and show understanding of some religious sources, beliefs, ideas, feelings and experiences and make links between them. They will show an understanding of different liturgies and attempt to understand how religious belief shapes life in different ways.

The children will be encouraged to discuss how their own decisions and those of others are based on belief and values. They may express different points of view and use sources to support some viewpoints and arrive at their own judgements.

## Maths

This term emphasis will be placed on children's understanding of the following areas:

- Measurement and converting between metric units and miles/kilometres.
- Measuring perimeter, area and volume.
- Understanding ratio and proportion.
- Statistics and data.

## PE

This term P.E lessons will be centred on developing children's agility and coordination within invasion games. They will be practising skills that underpin teamwork and individual skill in preparation for our games sessions, when children will be learning and following the rules of many sports. P.E will take place on a Wednesday. Please ensure children have their P.E kit in school.

## Homework

- ✓ Continue to practice multiplication and division facts so that your child is able to recall **all** facts quickly. Practise makes perfect!
- ✓ Please support your child learning their weekly spellings.
- ✓ Continue to encourage children with their homework each week.
