

Science long term planning

	EYFS	Year 1	Year 2	Year 3	Year 4	Year 5/6 (Year A)
Advent 1	Ourselves: Managing self	Ourselves	Healthy animals	Keeping Healthy	Electricity	Illustrating life cycles
Advent 2	Our pets: Natural world	Our pets	Habitats	Light and Shadows	States of matter	Materials consultants
Lent 1	Let's build: natural world.	Let's build: Materials	Materials matter	Rocks and fossils	Listen up	The human species
Lent 2	Marvellous materials: Natural world.	Marvellous materials	Everyday materials	Amazing magnets	Name that living thing!	Evolution and Inheritance
Pentecost 1	Wonderful weather: Natural world.	Wonderful weather	Ready, steady, grow.	Roots and shoots	Are these your teeth?	Electric art
Pentecost 2	Wonderful world: Natural world.	What's growing on our gardens?	Gardens and allotments	Artful flowers, fruits and seeds.	Help our habitats!	Medical Manoeuvres: Revision

Strands of science covered across the primary Science curriculum:

	Animals including humans.
	Living things and their habitats.
	Seasonal changes
	Plants
	Everyday materials, properties of materials and states of matter, rocks and forces.
	Light, sound and electricity.
	Evolution and inheritance.
