LET US PRAY

Dear Lord, I know that sometimes I forget to praise You. I know my faith weakens and I even doubt You when things are particularly hard. But, in the end I am always grateful that You love me unconditionally and see to it that I always rise to a new day.

Amen.

A MESSAGE FROM MRS COX

Dear Parents, Carers and Families,

Here we are on the final countdown! The FOSA School Fair was a huge success on Saturday, raising over £1000! The weather didn't dampen our spirits and it was so lovely to see so many families having a great time! Thank you for all of your generous contributions to the tombola and raffle, to FOSA for organising another wonderful event for the benefit of the school, and to our staff members, families, and Year 6 children for helping us set up the stalls across Friday and Saturday.

You should have received your child's school report on Tuesday - hopefully you were pleased with your child's progress throughout this academic year, and were able to see areas for them to work towards during the next school year. If you would like to discuss your child's school report in more detail, please do get in touch. We would very much appreciate it if you could take a few minutes to complete and return the feedback form that was enclosed with your child's report.

We also found out our KS2 SAT's results this week, and we couldn't be more proud of each and every one of our Year 6 Juniper class for their wonderful results. The results aren't indicative of your amazing individual personalities but they do show the hard work, determination and effort that you put into every single test. Thank you to Mrs Oliver and Mrs Jones for supporting the children through their tests. What a fabulous way to end your primary school journey, Juniper class!

Wednesday was transition day in school where all of the children EYFS right through to Year 5 spent time in their new classrooms with their new teachers ahead of the new school year in September. We hope that your child enjoyed their time in their new surroundings..

Please make sure to log in to your Seesaw app to see lots of information about what your child has been learning in class each week. You will also see video round ups of the week and your child's class curriculum.

Wishing you a very happy weekend,

Mrs Cox

OUR LADY OF LOURDES TRUST - PARENT SURVEY

Robert della-Spina, the Director of Performance and Standards for our Trust, would like to invite you to participate in a vital project aimed at collecting your valuable information and views regarding your child's education and the overall school experience. The Our Lady of Lourdes Trust firmly believe that parental engagement is a foundation of our pupils' success. Your perspective, opinions, and feedback are invaluable to us in shaping the educational journey of your child and enhancing the quality of our school and wider Trust community.

To ensure that your views are listened to we have launched an online survey. This survey provides you with an opportunity to share your thoughts on various aspects of your child's education, the school environment, and areas where we can further improve.

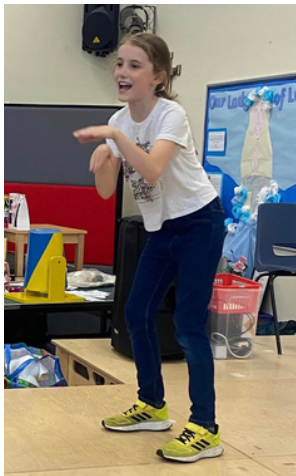

Please visit the following link or scan the QR code on the right and give your views by the 17th July:

NEWS FROM OUR CATHOLIC PARISH OF SAINT MARY AND SAINT AUGUSTINE

Belief in Brief: Are you a parent or carer of a school aged child? Would you like to know more about the Catholic faith? Why not join a programme that brings parents together from across the Diocese of Nottingham to do just that?

Starting in the Academic Year 2023-2024 the Diocese of Nottingham will be offering 'Belief in Brief', a space twice every half-term for parents to meet online for an hour (just after school drop off) to explore a different aspect of the Catholic faith.

Each session will have a short input followed by the opportunity to discuss this together and ask questions that you have.

CHILDREN DEALING WITH CHANGE AT THE END OF THE ACADEMIC YEAR.

A reminder that the resources from the Anna Freud National Centre for Children and Families and Mentally Healthy Schools have lots of information on how to support your child as they start a new school year in September, or leave primary school to start secondary school. These resources include a Self Care Plan for your child to work through and top tips on how to make friends. The Self Care Plan can be accessed [here](#) and would be a great summer activity for all children to complete.

Please click [here](#) for the full page of links and resources. It is definitely worth taking the time to look through the links and using the resources to help you and your child talk through any feelings that they may have at this time of change.
