# OUR ST. AUGUSTINE'S APPS

Download the school apps on the Apple App Store or Google Play apps and log in, or log in on your desktop.
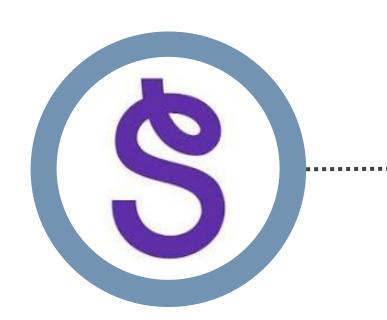

Log in details for all of our apps are published inside your child's reading diary. If you are unable to log in, please contact your child's teacher via your Seesaw app or by telephoning the office.

ARBOR

Arbor lets you register your child for a club or trip, manage payments and check in on your child's attendance all in one place. You can also see behaviour & academic progress and report absence. We also send emails and "in app" messages via the Arbor app. This is used as our main form of communication.

You will find the Arbor app on the Apple App store for iOS and on Google Play for Android.

SEESAW

Families connect to their child's Seesaw journal to participate in their child's learning, see their child's work, and celebrate progress. When you connect to your child's journal, you can only see your child's work, or group projects that your child is tagged in.
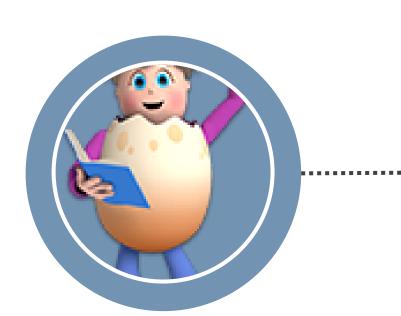

You will find the Seesaw app on the Apple App store for iOS and on Google Play for Android.

ST. AUGUSTINE'S WEBSITE

On our school website you will find a wealth of information ranging from our school and Trust policies to your child's class curriculum. You will also find details of our community links, school ethos and Catholic life at St. Augustine's.

READING EGGS

Reading Eggs makes learning to read interesting and engaging for kids, with great online reading games and activities

You will find the Reading Eggs app on the Apple App store for iOS and on Google Play for Android.
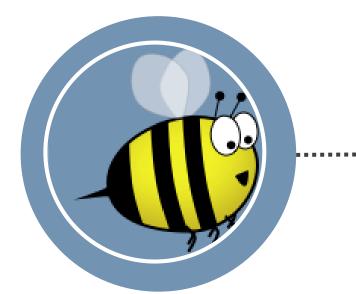

OXFORD OWL

With a library of activities and resources for every stage of the learning journey, curated by the team at Oxford University Press, you will find inspiration to help your little ones learn, grow and flourish at home, in the classroom and beyond.

ED SHED/ SPELLING SHED

Spelling Shed makes the acquisition of spelling and word knowledge fun and engaging for pupils. The carefully selected word lists and engaging activities provide opportunities to incorporate phonics and meaning to strengthen spelling skills and build vocabulary acquisition.

You will find the Spelling Shed app on the Apple App store for iOS and on Google Play for Android.

ACCELERATED READER

Accelerated Reader puts students in the driver's seat. Students are guided through engaging quizzes and activities help hone their reading skills with authentic practice — encouraging growth.

NUMBOTS

NumBots is all about every child achieving the "triple win" of understanding, recall and fluency in mental addition and subtraction, so that they move from counting to calculating.
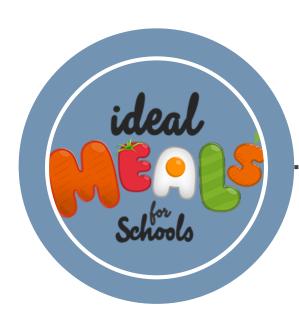

You will find the Numbots app on the Apple App store for iOS and on Google Play for Android.

T.T.R.S

Times Tables Rock Stars is a maths programme that takes all the worry out of learning times tables and has a proven track record of boosting children's fluency and recall in multiplication and division.

You will find the T.T.R.S app on the Apple App store and on Google Play.

IDEAL MEALS

Ideal Meals see lunchtime as another exciting part of learning and development that encourages children to take an interest in food from an early age.
You will need to set up an account directly with Ideal Meals to log in and order your child's school lunch choices; the deadline for placing orders is 9am on a Tuesday for the following week.
