<b>Celebrating Achievements &amp; Promoting the Trust/School</b> Across the Trust & School, we are very proud of the achievements of all our pupils, and we want to be able to celebrate these achievements both within the Trust/School and with others. We also look to celebrate, share and further our Catholic identity with members of our families and friends, our Parishes, our Diocese and further afield. To do this we hope to use a wide range of platforms to share information, photos and videos which celebrate, promote and develop our Catholicity. We may also want to report on significant events which involve our pupils and be able to promote the Trust & School to attract new pupils to show, as a Catholic Education Provider, the quality of the education, social contribution and pastoral provision available. It is important to us, as a Catholic Trust & School, that we deliver the teaching mission of making Christ known to all people. All of this could involve certain activities such as [including but not limited to] events, work displays etc. features in promotional material including websites, prospectuses, newsletters, sharing on social media (e.g. live streamed Liturgies on YouTube or other platforms and pre-recorded events.
