WELCOME TO ST. AUGUSTINE'S

Hello, I'm Mrs Oliver, the Headteacher of St. Augustine's Catholic Voluntary Academy and it is my great pleasure to welcome you to our lovely school and community.

We have prepared this welcome pack for you with lots of the information you and your child will need to get started on your school journey with us. We are delighted that you have chosen to join our school family and are very much looking forward to meeting you.

Getting ready to start school is an exciting time, but we know it can also be daunting with lots of new information and things to know and do. We hope that the transition we have planned will make you all feel fully prepared and happy in the lead up to September, but we are all here to answer any questions you may have along the way.

Our twelve school virtues form the foundations of our approach to living and learning, so that they become good habits for life both in and out of school. Our pupils are nurtured and celebrated for their uniqueness in all they do, ensuring that every child will thrive and fulfil their potential whilst we instil in them our school motto of **'Let all that you do be done in love' - 1 Cor 16:14.**

We have designed a very special colouring page for your child to collect on one of our transition days - what will you see on your journey to your new school? Your child can bring their colouring page with them to show Miss Darby on their next visit to St. Augustine's!

I very much look forward to meeting you and your child at our transition to school events.

Seesaw

ONLINE LEARNING JOURNAL

How will I know what my child has been doing each day?

Seesaw is an app that you can download on to your phone or tablet, or you can access your account on the Seesaw website on a computer or laptop. Your child will have their very own journal where we upload photos and videos of their activities each day. You can also add content such as video clips or photos of your child reading at home, or any achievements for show and tell!

Seesaw also has a message function where you can ask your class teacher a question about their learning or day.

How and when can I sign up?

You will soon receive the Seesaw information sheet; please follow the instructions to log in to your child's personal account. Please do this as soon as possible as Miss Darby will soon be starting to load some videos of herself and the classroom for your child to start watching in preparation for school.

Need some help?

Bring your device along to an open event; we're happy to help you get started!
